

CSC Programs

“Fresh Start” All Inclusive **Canadian** - \$9,500+tax

(\$2,500 due upon acceptance into program, \$7,000 upon matching and approval of clinical screening by RE)

For Parents who are starting from the beginning, needing help to coordinate an egg donor, or personal egg retrieval, selecting a clinic, creating their embryos and finding a gestational carrier for their journey.

- 2 Years of support services after matching (including up to 3 transfers)
- Review of initial consultation, processing application and secondary in depth consultation
- Screening (incl. criminal background check/financials, personal meeting when possible)
- E-mail Package sent out (Contracts, Profile Building Criteria Information, Insurance Info, Program outline, Surrogate Support Program Outline, etc.)
- Creation of a personalized digital profile, both for personal sharing and for online.
- Referrals to Fertility Clinic, Psychological Counselling, Egg Donor Company (Tiny Feet Fertility), Lawyers, Insurance (Life and Medical for all involved) and any other professional referrals required
- 1 hour consultation with Melanie Mitchell (Your IVF Nurse) who will walk you through the medical process of all procedures and medications for yourself, the egg donor and the surrogate to provide you with a thorough understanding of how the medical part of the process works
- Co-ordination of all necessary appointments for parties involved
- After matching with a surrogate, we aid and encourage with the “dating phase” of getting to know each other and helping to build a strong foundation of friendship and trust
- We provide full support for both intended parents and their surrogate
- IP Support includes: online support groups (both public and separate private IP only groups, phone, email, skype, CSC support person, Your IVF Nurse, access to counsellors and/or any other additional support people
- Complete Support Program for your surrogate as follows:
 - Initial Screening and in depth consultation
(Including but not limited to: confirmation of intent to act as surrogate for IP’s, assist in building a harmonious relationship with IP’s, written pledge of reasonable expectations and ethical intent, criminal records check if requested, physical health check by a qualified medical professional)
 - Coordinate with Surrogate to insure her presence at all clinical appointments
 - CSC presence at (up to) 3 requested appointments (For example: Clinic screening, transfer(s), ultrasounds, hospital appointments/stays, birth or post-partum)
 - One 1 hour appointment with Melanie Mitchell (Your IVF Nurse) who will explain the medical process to her in detail
 - Private Surrogate only group, 24hr access to CSC support person and Your IVF Nurse along with all online, phone, email, skype support. We also encourage and organize local surrogate get togethers when possible.
 - Specialized Gift Packages throughout the special stages during the journey
 - Bi-Yearly Surrogate Retreats coordinated and specially designed by CSC and held in a central location (IP’s will cover travel only, all other expenses are paid by CSC)
- Birth Visit and Post-Partum Presence
- Support for all post birth procedures, including assistance with any paperwork and/or lawyer coordination

**Please Note that ALL FLIGHTS are an additional cost, and can be reimbursed directly to the support person for the actual cost of the flight.*
